

Show your borrowers how to get a mortgage with no money down.

Getting your borrowers into a home has never been easier. The No Money Down Plus mortgage features:

- 100% financing + up to 3% for closing costs = 103% LTV
- Loans up to \$334,750
- Most popular fixed and adjustable rate options
- LPMI tax advantages

The No Money Down Plus mortgage is ideal for your borrowers with good credit who:

- Have stable earnings and strong earning potential, but limited savings
- Are trading up to a larger home, but with little equity or cash in other investments
- Would rather keep their assets in higher return investments than use them for a down payment
- Want to buy a home faster
